

Active Learning for Social Studies

Transform K-12 social studies classes into dynamic, interactive experiences with TCI. Aligned to Oregon's Social Science Standards, our high-quality programs help students build critical thinking skills, develop civic readiness, and connect learning to the world around them.

What You'll Find in Every TCI Program

Effective Social Studies Practices

Aligned with the Oregon's Social Science Standards to promote disciplinary thinking and civic literacy.

Scaffolded Tasks for Deep Learning

Students use a variety of intellectual skills to explore major ideas, eras, and turning points across U.S., Oregon, and world history—integrating chronological reasoning, cause & effect, and pluralism.

Engaging Inquiry Pathways

Compelling questions drive exploration, discussion, and reflection.

Multiple Perspectives

Diverse voices and primary sources encourage students to consider multiple viewpoints and develop informed, evidence-based conclusions.

Teacher and Student Support

Flexible lesson plans, interactive tools, and differentiation support every learner.

Formative and Summative Assessments

Performance tasks and checks for understanding track progress and growth.
